Kagan s structural approach to cooperative learning

American educational psychologist Spencer Kagan has a neat set of structures for improving cooperative group-based learning. According to Jane Joritz-Nakagawa, the aims of Spencer Kagan's Cooperative Learning Structures are: One aim is to foster positive, cooperative relationships between learners studying any subject in a class. The second aim is high academic achievement for all learners in a class.

The structural approach breaks this replacement cycle. Instead of doing cooperative learning lessons, teachers learn structures which make cooperative learning part of any lesson. When a new innovation comes along, teachers do not stop using the effective structures; rather they add structures to their repertoire so they make cooperative learning, multiple intelligences, and character development part of each lesson.
